

COST STATEMENT

The fees and costs of the investment units, as well as the fees for the services incurred in connection with the financial instrument, are illustrated by the following example.

Please note that the example has been prepared with the use of estimates regardless of your fee package and the typical maximum fees and charges associated with them, and therefore the sum of the costs in this example may not be the same as the costs under your fee package.

The example shows the costs of buying **derivate or absolute yield fund** with the market value of HUF 1,000,000. The actual value of costs may be different if the parameters of the given order are different from the data of the example.

Cumulative impact of estimated costs/fees on returns for a holding period of 1, 3 and 5 year(s):

	Costs reducing gross yield (HUF/year) ³	Costs reducing gross yield (%/year)	Total costs (HUF/year) ⁴	Total costs (%/year)
Sales at the end of year 1	41,000.00	4.10	60,800.00	6.08
Sales at the end of year 3	7,000.00	0.70	26,800.00	2.68
Sales at the end of year 5	4,200.00	0.42	24,000.00	2.40

The first row of the table also shows the possible additional cost for the redemption in the example above.

The second row of the table shows the estimated annualised costs associated with the purchase, sale and holding of units over a 3-year holding period.

The third row of the table shows the estimated annualised costs associated with the purchase, sale and holding of investment units over a 5-year holding period.

In the table, the value of the costs incurred in connection with the purchase, holding and sale of the unit is expressed as a percentage of the estimated purchase price.

Incentives estimated for a holding period of 1 year:

Erste Befektetési Zrt. will accept an incentive from the investment fund manager in respect of the investment funds sold.

One-off incentives (upon purchase and sale) 0.00 HUF 0.00 %
Continuous incentives: 10,000.00 HUF 1.00 %

Tax conditions can only be assessed on the basis of the investor's individual circumstances. Tax laws and their interpretation may change and Erste Befektetési Zrt. cannot be held liable for the consequences thereof.

³ Expenses deducted by the fund manager, which do not further reduce the gross return, are not included in the expenses reducing the gross return.

⁴ Investment fund total costs include commissions deducted by Erste Befektetési Zrt. and costs already deducted by the fund manager (running costs built into the price), which do not further reduce the gross yield.
