"Legal and Arbitration Proceedings

During the last 12 months there have been no governmental, legal or arbitration proceedings which may have, or have had in the past, significant effects on the financial position or profitability of CSi, and CSi is not aware of any such proceedings being either pending or threatened, except as set out in the Form 6-K Dated 18 January 2017, in the Form 6-K Dated 23 December 2016 and disclosed below:

1. US Antitrust Class Action re CDS

US Antitrust Class Action re CDS. Certain Credit Suisse entities, as well as other banks, have been named in civil litigation in the US, currently pending in the US District Court for the Southern District of New York. In August 2015, Credit Suisse and the class action plaintiffs reached an agreement in principle to settle the action. In April 2016, the court granted final approval to the settlement agreement, entering final judgment and dismissing the action.

2. Rosserlane and Swinbrook v Credit Suisse International

CSi is the defendant in English court litigation brought by Rosserlane Consultants Limited and Swinbrook Developments Limited (the "claimants"). The litigation relates to the forced sale by CSi in 2008 of Caspian Energy Group LP ("CEG"), the vehicle through which the claimants held a 51 per cent. stake in the Kyurovdag oil and gas field in Azerbaijan. CEG was sold for USD 245m following two unsuccessful M&A processes. The claimants allege that CEG should have been sold for at least USD 700m. CSi is vigorously defending the claims, which it believes are without merit. The trial commenced in October 2014 and on 20 February 2015 the case was dismissed and judgment given in favour of CSi. The claimants are now appealing the judgment.

3. CSi is defending a EUR 170 million clawback claim brought by the Winding up Committee ("**WUC**") of Kaupthing Bank hf in the District Court of Reykjavik, Iceland. The claim relates to the issuance of ten credit-linked notes issued in 2008, which the WUC is seeking to challenge under various provisions of Icelandic insolvency law in order to claw back funds paid to CSi. The WUC is also claiming significant penalty interest under Icelandic law. CSi argues that the purchase of the credit linked notes is governed by English law, which does not provide a legal basis for such clawback actions. In October 2014, the Court of the European Free Trade Association States issued a non-binding decision supporting CSi's position that the governing law of the transactions is relevant. Separately, CSi is pursuing a claim for USD 226 million in the District Court of Reykjavik, Iceland against Kaupthing Bank hf's WUC in order to enforce certain security rights arising under a 2007 structured trade. CSi acquired the security rights following Kaupthing Bank hf's insolvency in 2008. In December 2016 the CSi and Kaupthing ehf (formerly Kaupthing Bank hf) entered into a confidential settlement agreement bringing an end to these proceedings.

4. CSi is the defendant in German court litigation brought by Stadtwerke Munchen GmbH, a German water utility company (the "claimant"). The litigation relates to a series of interest rate swaps entered into between 2008 and 2012. The claimant alleges breach of an advisory duty to provide both investor- and investment-specific advice, including in particular a duty to disclose the initial mark-to-market value of the trades at inception. The claimant seeks damages of EUR 39 million, repayment of EUR 184 million of collateral held by CSi and release from all future obligations under the trades. A preliminary hearing took place in February 2016, with further hearing dates set for March/April 2016/2017.

Provision for litigation is disclosed in Note 21 to the interim consolidated financial statements on page 31 (page 33 of the PDF) of the CSi 2016 Interim Report."

- (b) deleting the table under the section headed "Names and Addresses of Directors and Executives", on (A) pages 462 to 463 of the Trigger Redeemable and Phoenix Securities Base Prospectus, (B) pages 425 to 426 of the Reverse Convertible and Worst of Reverse Convertible Securities Base Prospectus and (C) pages 496 to 497 of the Put and Call Securities Base Prospectus, and (D) pages 455 to 456 of the Bonus and Participation Securities Base Prospectus, and replacing it with the following:
